QPR in the Community Trust

All proceeds from the event will go to registered charity (1127806)QPR in the Community Trust. The Trust's aims are to provide projects based in the local community that will have a positive outcome on participants health, education, social inclusion or participation. We are no longer just football based but have a multi activity approach to challenge issues faced in disadvantaged or deprived areas of London.

We aim to work with 100,000 people per year and tackle national issues at a local level. The beneficiaries are all members of the local community including school children, young adults, disabled groups, community groups, those at risk, elderly residents, parents and volunteers. Examples of our work include:

- **Kickz:** tackles anti social behaviour and low level crime through partnerships with LA, Housing Associations and youth offending teams. Not just football focused offers boxing, street dance, basketball, encourages volunteering and provides routes back into education, training and employment.
- **QPR Tiger Cubs** provide children and young people with Downs Syndrome the same benefits of being on a team as their abled bodied peers.
- **Study Support Centre** offers a six week after school study support programme with the aim to improve numeracy, literacy and ICT skills
- **Roadwise Rangers:** teaching road safety to children in White City.
- **Kick into Reading:** encouraging 7-11 year olds to improve their reading skills.

All money will go towards both supporting these projects and also starting up new initiatives in the 5 London Boroughs we work in.

Many thanks for your support and we look forward to seeing you at Sudbury Golf Club, Wednesday 31st March.
